

PEOPLE ARE THE REGION'S MOST VALUABLE RESOURCE

As the labor pool shrinks, there will be a rapidly widening gap between available jobs and the people to fill them.

Thanks to innovative and forward thinking employers like you — the **Be the Spark Business Education Tour** program was launched in 2014 to address future talent needs.

The first of its kind with MPS schools, **BUSINESSES** show students and educators the essential skills needed to create a path to unlimited opportunities.
