

Leadership Luncheons

These events feature prominent Milwaukeeans in leadership. In one action packed hour, event goers learn the details of a leader's personal and professional journey to "the top." Speakers present with a casual, unguarded tone allowing questions, offering advice and inspiring the group to take leadership roles at work and in the community.

This signature event series is an ideal opportunity to connect to highly ambitious professionals who will appreciate your company's investment to their growth and development as leaders. Monthly attendance ranges from 60-100 professionals and varies by venue and speaker.
