

# ADVERTISING OPPORTUNITIES WITH THE CHAMBER

## Elevate your company as a resource for business leaders during the pandemic.

The MMAC's mission is to support a globally competitive region that fosters high-value employment to create a vibrant quality of life for all. This webinar series provides businesses insightful expert content in the key areas of talent, growth and livability. As the Milwaukee Region navigates through recovery in this difficult time for the economy and community – MMAC will deliver timely content that reflects the complex challenges at hand. A new series that began at the onset of the COVID-19 pandemic, this webinar series has reached thousands of viewers, with an average weekly reach of 400+ Milwaukee Region business community leaders.
